Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Thursday 20 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Windy with periods of heavy rain.

This Evening and Tonight:
It will be wet and windy with periods of heavy rain this evening and overnight. Generally misty in rain, with cloud shrouding hills. Strong winds and rain may ease for a time later in the night. Minimum temperature 6 deg C (43 deg F).

Friday:
Mainly overcast with further rain, occasionally heavy. Strong northerly winds will develop during the day, with temperatures falling later. A chilly night, but rain will slowly ease. Maximum temperature 12 deg C (54 deg F).

Outlook for Saturday to Monday:
Sunny spells and scattered showers on Saturday, and Sunday morning. Heavy rain and strong winds expected later Sunday, clearing overnight. Sunny spells and occasionally heavy showers on Monday.
